114 VEHICLES REGISTERED

## C.R., Howard County Car Show 'At The Fair', Delightful!

By Bill Wurzell, Editor

After the past two years of somewhat disappointing attendance, the 2015 Howard County Car Show and Fair was reminiscent of the 'glory days' of this event. A total of 114 vehicles were registered for the show which included a wide range of participants from near and far.

The 2015 show was held at a different location within the fairgrounds than in previous years and it turned out to be a positive. Vehicles were parked on a large flat lot covered mostly with grass. The area was paralleled by two access roads; one paved and one unpaved. This location provided easier walking access to the midway attractions and eateries, not to mention restrooms. The weather was excellent and the biggest negative was dust from the unpaved roads and parking lots. The field could have accommodated another fifty vehicles.

### Members show up!

Lots of long-time and newer members attended the show. Mark and Sandra Deeds, brought two of their cars, both Mercurys: a 1969 Mercury Cougar convertible and a red, 1964 Comet convertible. Both vehicles won a 'top 30' award. Chuck Talbert showed off his venerable 1940 Ford Custom sedan he has owned forever. Willis Terrett displayed his breathtaking, award winning 1951 Ford Victoria hardtop. Both Chuck and Willis won a 'top 30' award. Membership chairman, Dan Materazzi showed his flawless 1956 Chevrolet Corvette.

### Many to thank...

There were many, many, hard working members that arrived early for the show and jumped into providing support. None more so than Franklin Gage who did an outstanding job of seeing that the registered vehicles were parked neatly and in some sort of order. Franklin ran up and down the grounds like a field marshal, performing nearly the same task as the day before at the 'All GM Show' in Rockville. Also assisting were past president, Gary Wilmer along with his wife Vicky and son Todd.

Of course Activities Director, Tom Kenney saw to all the odds and ends that needing taking care of. President Paula Ruby was busy coordinating awards with Chief Judge, Gene Sauter. Paula's husband, technical chairman Gary Ruby and vice president, Nick Prevas helped were needed. Secretary, Jim Turner was up before dawn and toiled behind the scenes hauling needed equipment to and from the club's garage. The Bulletin is truly sorry if we missed anyone that helped out.

### CU» member Top 30!

'Best of Show' plaque went to Bob Baxter for his 1966 Chevy Chevelle 396. Club members grabbing 'Top 30' honors: Chuck Talbert,

The large level, unencumbered ground at the bottom of the midway was only a few steps from all the activity at the fair. This field has a departure from the last 40 years of diminishing space. (Bill Wurzell photo)

## Museum Of Industry Show

### Lots Of Fun For All Attending

By Paula Ruby, President

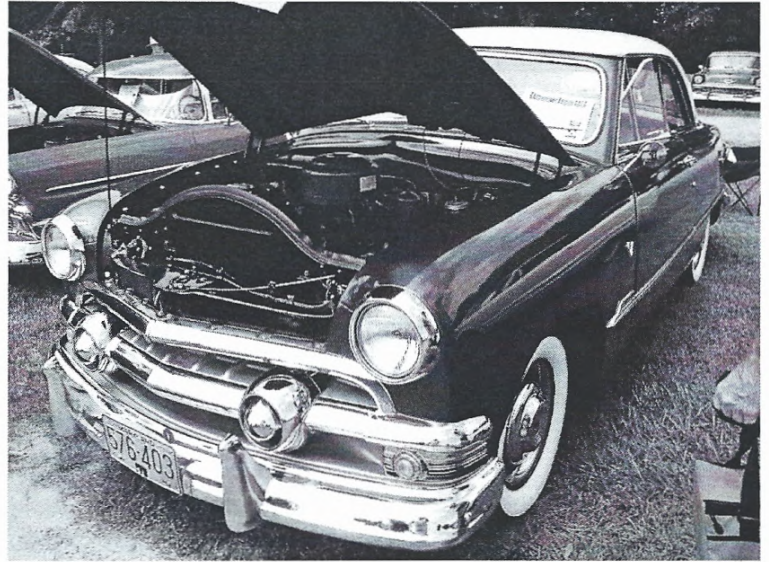

It was a beautiful day at the Baltimore Harbor. Chesapeake Region sponsored a day at the Museum of Industry on Key Highway. Thanks to Mary and Ed Allen, Ida and Frank Fields who were Officers of the Day. There were 22 cars in attendance.

Angie Scott, Event Supervisor at the Museum of Industry made the selection of the Sponsor's Choice Award. Ms Scott chose Ruth Synodinos' gorgeous 1947 Cadillac, Series 62 sedan. Ruth was presented with the event plaque and said this is the first occasion she has received an award for the Cadillac.

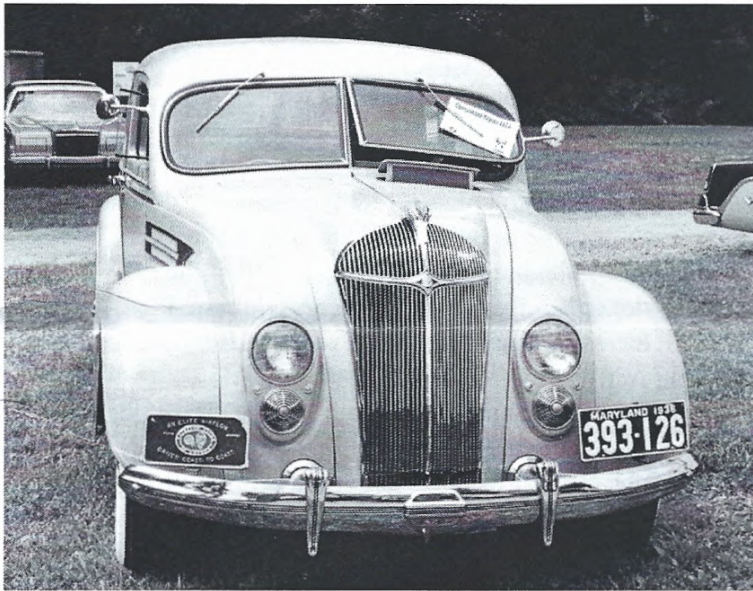

Congratulations to Ruth and her beautiful car. Complete participant list on page 3.

Ray Ridgely of Ellicott City purchased his 1953 Mercury new, 62 years ago!

Will Terrett's 1951 Ford Victoria is a 'top 30' winner. Will just returned from Michigan where his '55 DeSoto won 3rd place and Peoples Choice award.
