

**Streetcar Museum Fall Car Show**  
By Jerry Gordon, Tom Young Photos

The Club ended the 2006 car show season in grand fashion at the Streetcar Museum on Sunday, October 15<sup>th</sup>. We had a nice mix of sixteen show cars with twenty-seven members and guests in attendance.

Just like all our shows and outdoor events this year, the weather was excellent, a bright, sunny, mid 60s day. The fine weather brought out large crowds of spectators to the museum for their well-promoted FreeFall Baltimore event, which runs during October and November and offers free museum admission and streetcar rides. All the trips of the three streetcars in service had almost every seat filled.

The spectators also enjoyed looking over our antique cars parked in front of the museum. Dave Benson's 1937 Cord roadster, Larry Butcher's 1938 Lincoln Zephyr convertible, Ray Adler's 1968 Dodge Charger

R/T, and Tom Black's 1968 Chevrolet Baltimore police cruiser were the crowd favorites.

Club members had a good time partaking of multiple streetcar rides and talking about old cars. At the end of the day the museum's staff selected Dave Benson's Cord roadster for the Sponsor's Choice award, which was presented by Carl Merson, the museum's Officer of the Day

Club members and guests who participated were: Ray Adler, 1968 Dodge; Mary & Ed Allen, 1959 Buick; Matt Livingstone & Bob Battista, 1979 Jeep CJ7; Dave Benson, 1937 Cord; Kim Bathon & Tom Black, 1968 Chevrolet; Larry Butcher, 1938 Lincoln; Pat & Ed Butler, 1932 Buick; Jerry Gordon, 1961 Cadillac; John Horn, 1965 Thunderbird; Ed McDaniel, 1958 Chevrolet pickup; Don Rhine, 1940 Buick; Jerry Ross, 1954 Kaiser; Ted Schneider; Victoria & Abigail Dodge + Ruth & Jim Synodinos, 1941 Packard; Evelyn & Pat Wenderoth, 1928 Studebaker; John Young, 1986 Cadillac; and Tom Young, 1980 Plymouth.
