PLEASANT, RELAXED ATMOSPHERE

Spectacular 60th Anniversary Celebration Picnic At Kurlz's Beach, August 30th

By Bill Wurzelt, Editor

Perfect weather and picturesque setting were the order of the day for Chesapeake Region's long anticipated celebration of sixty years of the club's existence. What better place than the Chesapeake Bay could an organization called 'Chesapeake Region' choose to recognize a milestone such as this. Probably, one of the nicest aspects of our catered picnic was, nobody had to work, with the possible exception of President Paula Ruby and husband Gary. They were up before dawn and on the road to Pasadena to prepare for the days events.

For the officers and members that are always engaged in the physical end of trying to make events successful, this was especially enjoyable, just to sit back, relax and enjoy the company of your old car friends. Many members drove their old cars to the affair held at Kurtz's Beach, Pasadena, Maryland, which is right along the shore of the Bay. Hundreds of pictures were snapped at the large gazebo that looks out majestically over the Bay.

Was there food?

Go to war, Aunt Agnes! Food and lots of it, well prepared and piping hot: delicious hamburgers, hotdogs, green beans, chicken legs,

President Paula visited tables to make sure everybody had enough to eat and thank them for attending

Paula introduced Mr. Warren Prentice to the members. Mr. Prentice is the son of Willard Prentice, one of the founders of Chesapeake Region. Warren was glad to be invited to the picnic and help celebrate the organization his father helped found.

Paula singled out Thelma Johnson (left) and Mary Whitcraft for special recognition for writing, compiling, and publishing Chesapeake Region's impressive 60th Anniversary book that noted the humble beginnings in 1955 to the nearly 500 strong member automobile club we are today.

Vice-President, Nick Prevas addresses the gathering with updates regarding the club's 60th Anniversary events. Nick also thanked the members for attending the picnic and their unwavering support.

cole slaw, salad, dinner rolls, and two kinds of cake for dessert. Beverages included water, sodas, and a cash bar serving beer and wine. After a delightful meal, I was looking around

for a cup of coffee. I asked a food server if there was any coffee, and she said to my delight, "I'll make some." She did and it hit the spot! Other folks appreciated it too.

Don't delay, send in your reservation for the club's annual banquet November 15 at Friendly Farm Restaurant--CUTOFF NOVEMBER 5!
